

# ZEEETA

**ZEEETA** kolleksiooni kuulub suur valik selge ja lihtsa disainiga diivani- ja pingimoduleid. Võimalik on moodustada lõputuid kombinatsioone nii suurte kui väikeste ootealade sisustamiseks. Lisaks ühetoonilistele diivanitele pakub põnevaid võimalusi ka erivärviliste kangaste kombineerimine. Kõikidele Zeeta istmetele on võimalik lisada ka elektriühendusega moodul, millest saab lihtsa vaevaga näiteks sülearvutit või telefoni laadida. Tooteperekonda kuulub ka suur valik erineva mõõdu, kuju ning materjalivalikuga diivanilaudu.

**ZEEETA** collection consists of module sofas and benches with clear and minimalistic design. It is possible to form endless combinations for waiting areas with various shapes and sizes. Two different colours of cover textile can be used to give sofas more exciting appearance. All Zeeta modules have possibility to add socket outlets for charging laptops or mobiles. There are also various sofa tables with different shapes, sizes and materials in Zeeta collection.
