

FRANK

FRANK with clear lines and timeless design goes well into many public rooms. The legs of the armchair, small sofa and table are of natural oak with beautiful dovetail joints. The same products are available also with elegant metal legs.

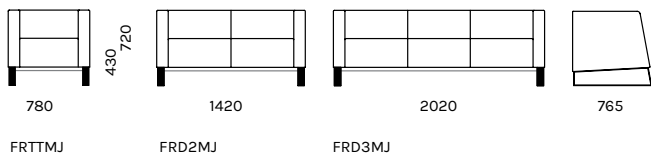

Selge joone ja ajatu disainiga **FRANK** sobib paljudesse avalikesse ruumidesse. Tugitooli, väikese diivani ja laua jalad on naturaalsest tammepuidust, kauni tappühendusega. Samad tooted on võimalikud ka elegantse joonega metalljalgadel.
