

# ZESO

ZESO on pehme vormi ja kumerate joontega istemööblisari, mis oma olemuselt ning funktsioonilt sarnaneb Zeeta'ga. Ümartorust jalad ja pehmust rõhutavad poroloonid lisavad tootele elegantsust ning hubasust. Eeskätt ootealadele mõeldud diivanisarja kuuluvad tugitoolid, diivanid, pingid ja mooduldiivanid komplektide moodustamiseks. Kolleksioonis on ka erinevad minimalistliku ja pehme joonega ning kaalult kerged diivanilauad.

**ZESO** is a furniture serie of seating furniture with a soft shape and curved lines, which is similar by its nature and function to Zeeta. Rounded tube legs and foam that emphasize softness add elegance and coziness to the product. The sofa series, primarily for waiting areas, includes armchairs, sofas, benches and modular sofas for forming sets. The collection also includes various coffee tables with minimalistic soft lines and light weight.
