

LOBBY

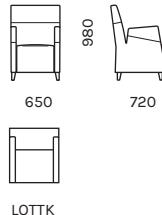

Design Katrin Soans

LOBBY tugitoolid sobivad nii kabinetti kui koosolekuruumi. Kõrgemad tugitoolid on disainitud stiilse kaheosalise ömlusega, mis annab võimaluse moodustada huvitavaid värv- ja mustrikombinatsioone. Madalamat ratastel tugitooli on kontoris mugav liigutada ja ringi paigutada.

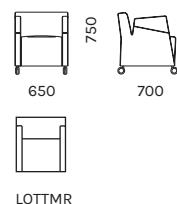

LOBBY armchairs are suitable for offices and meeting rooms. The design of the higher armchairs includes a stylish two-part seam, which makes it possible to create interesting colour and pattern combinations. The lowered armchairs have wheels and are easy to move around in the office.
