Caro

Caro is a wonderful addition to our Avantgarde Collection. This collection offers articles with creative, modern, trendy and coloured patterns and structures. A quality which is perfect to combine with other commercial Textaafoam qualities.

This jacquard woven honeycomb structure gives an exquisite appearance. The natural colour-line with addition of a few warm deep colours, enhances the natural experience of the design.

Yarn dyed and exists out of soft chenille yarns, it's a heavy and solid quality that has proven to be durable and easy in maintenance. Machine-washable at 30 degrees*, so also easy to keep this luxurious fabric clean and fresh. Caro is suitable for sofas, beds and chairs and will make your choice of furniture look amazing.

Bee a part of the buzzing success of Caro!

- We recommend to wash the cover inside out and immediately place the cover back to the piece of furniture, slightly damp, after washing.
